

Oak Grove Theater Play Proposal

Attention Directors, Music Directors and Producers,

Thank you for your interest in directing for Oak Grove Theater! Please fill out this play proposal form to give us an idea of what play(s) you would like to direct, why you want to do this play(s), and why we should pick your project for an Oak Grove Theater production.

After you submit your proposal, it will be reviewed by the Oak Grove Theater Board of Directors. Once we've had a chance to look it over, we'll get in touch with you if we'd like to have your play produced for our upcoming season. Keep in mind that we will be considering a number of things including, but definitely not limited to, the play and its content, the production/time slot you are asking for, technical/staging requirements, and budget. Please use as much room as you need and feel free to attach additional pages.
